

Vote Conservative

Living as we do in one of the most beautiful parts of the country, it is important to recognise that small rural businesses need to be created to help keep communities together. We are looking to promote this through the use of Winchester City Council's small grants programmes and Leader funding. Linda is happy to advise.

LEFT: AN EXCELLENT TEAM

Working with Frank Pearson and Vicki Weston as a team since the creation of the new Central Meon Valley ward has demonstrated how positive and effective a strong Conservative team in our area can be. The team has been reinforced further by the two County Councillors who serve this area, Roger Huxstep and Patricia Stallard.

RIGHT: MANAGING DEVELOPMENT

We are working to limit the over-development of our villages and keep the necessary growth in line with local development plans and village design statements. We are representing the voice of the villages in keeping developers and builders compliant.

LEFT: MORE RECYCLING NEEDED

We are actively looking to increase our recycling rates by investigating kerbside glass collection as part of a new waste collection contract which is currently being negotiated. Bins contaminated by waste being put into the incorrect bin is still a major problem. Please check this.

RIGHT: PAY INCREASES REJECTED

Conservative Councillors on Winchester City Council REJECTED a proposal by an independent remuneration board to increase councillors' allowances by 8% whilst almost all LibDem councillors voted FOR the 8% increase. A saving of £20,000 per year!!

ABOVE: TACKLING FLY TIPPING IS CRUCIAL

With your support and vigilant reporting of fly tipping incidents, the Council has achieved 100% success rate in fly tipping prosecutions. We are actively looking to reduce fly tipping in the district and have demonstrated a zero-tolerance approach to this problem.
