

Hampshire County Council Elections Thursday 6th May

HUGH LUMBY

The right local choice for Meon Valley Division

"I live in Meonstoke and currently represent the Upper Meon Valley at Winchester City Council. I have a noted track record for my campaigns on various important local issues, including motorbike noise, unauthorised traveller encampments and fly tipping. We need to look after this beautiful area with all its wonderful villages and communities. I am delighted to have been selected as the Conservative candidate and I hope I will have your support on 6th May."

Protecting our Countryside

We live in a wonderful area; protecting it and its vibrant communities for ourselves and future generations must be an absolute priority. Inappropriate development must be resisted and we must address issues such as fly tipping and antisocial motorbike noise.

Delivering Great Schools

Our Children's Services have been rated "Outstanding in all areas" by OFSTED. A new primary school is due to open this September in Whiteley, with the new secondary school to follow. We will also expand the Apprenticeship Scheme to help young adults to go straight into training and employment when they leave school.

Supporting Homes and Businesses

Good broadband and mobile phone coverage will be vital as we emerge from the pandemic. The County Council has provided matched funding to help broadband reach many areas and this must continue. Low council tax has helped with residents' finances and allows investment in our local infrastructure.

Vote Conservative on Thursday 6th May

Promote by Anne Pearson, on behalf of Hugh Lumby both of The Conservative Office, Manor Farm, Itchen Stoke, Alresford, SO24 0QT.
