

Hampshire County Council Elections Thursday 6th May

# PATRICIA STALLARD

## The right local choice for Winchester Southern Parishes Division

*"It has been my privilege to represent you at Hampshire County Council for the last 9 years. During that time I have met many residents at local surgeries, community events and on the doorstep. For a number of years, I have held a cabinet post and I am currently responsible for Children's Services and Young People. I am a very experienced and hard-working councillor who you can continue to rely on to work on your behalf."*

### Keeping Council Tax Low

By creating greater efficiencies we have kept council tax charges to one of the lowest in England whilst maintaining quality services. We will sustain this progress and invest in the things that matter to you e.g road repairs and social care.

### Looking Out for Young People

We are proud that under our watch Hampshire's Children's Services have been rated "Outstanding in all area" by OFSTED. We also kept all Hampshire's schools open throughout 2020. We will continue to prioritise school improvement so that every child in Hampshire gets the best possible start in life. We will also expand the Apprenticeship Scheme so that young adults find it easier to get straight into training and employment when they leave school.

### Leading Action on Climate Change

Conservatives have led action on climate change for 20 years and have declared a climate change emergency. We have funded a strategy to enable us to be carbon neutral by 2050. We will work to protect our environment for future generations.
