

Hampshire County Council Elections Thursday 6th May

ROB HUMBY

The right local choice for Bishop's Waltham Division

"It's a pleasure to be standing for re-election in the place I call home. I have represented Bishop's Waltham for 7 years and, whether it be through meeting with MPs and Ministers, to meeting with you to hear your views and concerns, I am never afraid to go the extra mile to get things done. I have a strong track record of delivering on my promises and with your support I would like to continue to serve our community."

Improving our Roads for all Users

If re-elected we plan to spend £100m over four years on maintaining and improving our road surfaces and pavements. Our innovative new Local Transport Plan will also boost walking and cycling in towns, villages and coastal roads. At every opportunity we want to help improve air quality and reduce climate emissions.

Enhancing the Countryside

As Conservatives we cherish our natural environment and work hard to conserve and enhance it. If re-elected we will plant more wildflowers on County land and verges and one million trees by 2050. We want more people to enjoy the health benefits of getting out into the countryside, so we will invest in making our country parks more accessible to everyone whilst also improving links to our National Parks and Areas of Outstanding Natural Beauty.

Looking out for Young People

We are proud that under our watch Hampshire's Children's Services have been rated "Outstanding in all areas" by OFSTED. We also kept all Hampshire schools open throughout 2020. We will continue to prioritise school improvement so that every child in Hampshire gets the best possible start in life.
